Wunderdogs is a fun and safe environment for your dog to play and interact with other dogs.

Wunderdogs staff will give all their care, attention, love and cuddles to make your dogs day at daycare as good as it can be.

All dogs will be supervised by experienced staff 'pack leaders' at all times to ensure doggie interactions are kept playfull and will be on hand to step in when any signs of agression, lethargy, obvious illness or injury develop. All care will be taken to ensure your dogs heath and safety while in our facility is top priority.

When dealing with animals, the unpredictable can happen. In the unlikely event that your dog becomes injured in any way while at Wunderdogs, we will contact you immediately, and if necessary will call upon the services of the neighbouring Noosa District Animal Hospital Veterinary services, at the owners expense. Please advise a value of care you authorise Wunderdogs to arrange with the vet on your behalf in the event we cannot contact you, your spouse or your emergency contact. \$ \_\_\_\_\_

Wunderdogs accepts no liability for any illness or injury that develops or is obtained while at or after visiting the daycare facility.

We recommend you have private pet insurance cover.
